What are  
**YOU?**  
Looking for

**God** created Earth and Tourism is the only way to witness the beauty of his creation. Global Holidays, an affiliate of Guru Enterprises, had its inception into the tourism business in the year 2009 "We started our tourism sector by organizing educational trips for college students and gradually improved, launching trips for corporate, honeymooners and families which have all become a great success owing to the extreme safety and exceptional hospitality We provide to our customers". Our pride lies in our ability to understand the needs of the customers and accordingly provide expert tour directors who give interesting insight and stories which bring meaning to the places they visit. We help you have the vacation of your life time. We create memories.....!!!!
